4	As you may know, we are a part of the Louisville Ballet School's family and have seen such growth in our dancers! LBS is fundraising for our Scholarship fund, and we can use your help! Please consider helping us fundraise for this initiative by donating at least \$10 to our fundraiser. Dance education has impacted our family for the better and with a stronger scholarship fund, we can provide dance access to more inspired dancers. If you have any questions, please let me know. I hope you can support my efforts to make a difference. Thank you!
