

This past year we have awarded 30 students with reduced tuition to start or continue their studies at LBS. This is all thanks to generous support from scholarship contributors!

Our scholarships help our school achieve our mission to be more inclusive and to represent our amazing Louisville community better. Scholarship recipients such as this 11-year-old studying Classical Ballet VI shared with us, "I started dancing at three, and now I'm in CB 6. I can't believe it! When I started dancing, my mom thought I would outgrow it. She put me in a ballet class just for fun and exercise and to wear an adorable tutu, of course. But now, I can't live without it. Ballet is a way of life, not just a hobby."

This Peer-to-Peer Fundraising Campaign supports our three scholarship programs: LBS Scholarship Program, Summer Intensive Scholarship, and Robert Curran Scholarship Fund.

Together, we can raise enough support to grow our scholarship program and assist more students. <https://thelbseducationfund.causevox.com/>

---

LBS is running a peer-to-peer fundraiser for our Education Fund, supporting scholarships for aspiring dancers. This Peer-to-Peer Fundraising Campaign supports our three scholarship programs: LBS Scholarship Program, Summer Intensive Scholarship, and Robert Curran Scholarship Fund.

As an LBS family, we believe that all students should have access to dance education. Want to help make a difference? Together, we can raise enough support to grow our scholarship program and assist more students. <https://thelbseducationfund.causevox.com/>
