

## Scholarship Application

The Louisville Ballet School wants to share the joy of dance with students from our entire region. There are a limited number of partial scholarships for the 2007-2008 school year available to students who have studied in the School for a minimum of one year and who are enrolled for a minimum of two classes per week during the 2007-08 school year. Scholarship awards based on financial need and merit. Past award recipients' conduct and achievements will also be considered. The school year begins August 20, 2007 and continues through May 17, 2008.

Please submit your completed application form, a copy of your parent or guardian's 2006 1040 federal tax return, and student essay. Students should detail, in the student's own words, why they started dancing, what they have learned from their study of dance and their future goals relating to dance.

**Scholarship applications are due by 5:00 pm Friday, August 10, 2007. No late applications will be considered.**
