Policy Agreement

It is understood that the student is enrolled for the entire semester; no deductions or refunds will be made for absence or withdrawal, voluntary or involuntary, unless for medical reasons with documentation from your doctor. Students enrolled in the Fall semester will automatically be re-enrolled and billed for the Spring semester unless the School Administrator has been notified prior to the beginning of the Spring Semester that a student does not intend to return. Any modifications to a student's schedule once the semester has begun may incur processing fees.

The School reserves the right to determine the class level for every student, regardless of prior training. Parents or guardians may request a re-evaluation in writing by submitting a written request form at the front desk of the St. Matthews studio and submitting the \$25 re-evaluation fee during the first five weeks of the semester. Class selection for new Primary Division students should be made according to the student's age as of the start of the school year, August 14th. Placement is for the entire school year.

Students with delinquent accounts are generally not permitted to participate in class until the account is brought current. Fees may be assessed for delinquent accounts, declined credit card payments and returned checks.
