Covid Protocols for the Audition

At this time Louisville Ballet is requiring all Children's cast members and Parent volunteers to adhere to the current Louisville Ballet Company protocols and guidelines.

- Masking- At this time the use of masks at Louisville Ballet Studios is optional, yet highly recommended. We may move to a mandatory masking of our children's cast as we begin rehearsals with the Company dancers. We will update everyone if and when we make that change.
- Vaccinations- Louisville Ballet requires all employees to be "Up to Date" on Covid vaccines. The following link will take you to the CDC website where they list out all vaccines, age groups and when a person is considered "Up to Date". [CDC WEBSITE](#)
- Exposure to Positive case and Positive test protocols- We will be handling each potential, probably, definite exposure and positive test results on a case by case basis, with each scenario being evaluated by our medical consultant.
